Infants

Hello from the Incredible Infants room! We would like to welcome a fresh new face, Jose! We still have all boys in our class. Soon our Santiago will be leaving us and moving up since his birthday is April 11. We have been learning and singing new songs with the children and their favorite one so far is "where is thumpkin?" We have been continuing our communication by talking about colors and practicing counting. In the next month, we will have some adorable Easter projects coming home to you. Our Easter activities will be 4/10-4/13 and we plan on taking a class picture during that time.

A great project to do at home would be to plant jelly beans and replace them with a lollipop.

Three's

Hello from Ms. Marissa's class. I would like to welcome all of our new friends who have joined us; Aaliyah, Noah, Tristian, Elias and Dylan. We have been busy learning about trees; how they grow, the different kinds of trees, how seasons affect trees. We will continue to learn more about trees, like the different fruits that come from them and animals that live in trees. We will also be talking about Easter and Spring.

Just a reminder that we moved our circle time to 9:30am. So please try to drop off children before then. Your cooperation means a lot. Also, no more lunchboxes are to be put in the fridge. Please pack lunch with an ice pack. Thank you!
