If you haven't already, take some time to "like" our Facebook page. We post pictures daily and keep you posted on events that are happening at NPA and in the community.

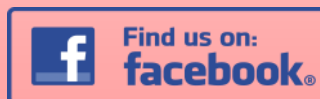

The National Accreditation Commission (NAC) will be coming this month to approve our school for Accreditation. Please help in this process by making sure you accompany your child to the bathroom each morning to wash their hands. We also ask that items brought from home are labeled with your child's name on them. Thank you for your support!

We had a winter blast last month talking about winter, animals, clothes and our sensory activity with frozen toys in ice. Now its time to turn everything red, white and pink for Valentine's Day! On Feb. 14th please have your child dress in red or white. Our babies are growing so fast. Niko is moving up to the Toddler 1's class and we would like to welcome Alan, Gabriel and Henry to our room!
