From the Director's Desk...

Thank you to all our wonderful families for coming to our Annual Fall Festival!

A great day with beautiful weather was enjoyed by all!

Please make sure when you arrive each morning that you assist your child in washing their hands before doing any other activity. With the Cold and flu season approaching, we want to take every measure to keep our children healthy!

November 14-18th- Annual Canned Food Drive.

Any donation would be greatly appreciated!

NPA Closed-
Happy Thanksgiving

Infants

We now have seven amazing babies in our room! We have made some new friends and enjoy their company every day. We would also like to acknowledge Ms. Janet and welcome her to our Incredible Infant room! Milani and Nikolai are our newest additions and we love to see their happy faces and watch them grow. We are having a great time in our room and all the children are developing very well.

Ms. Ana

Ms. Janet

Toddlers 1A & 1B

Welcome to the month of November! We will be celebrating Justin's birthday on November 2. This month we plan on introducing some new music to our toddlers. We will be working on creative Thanksgiving arts and crafts. On Wednesday, November 23 we would like to have a Thanksgiving lunch for the children. We will put up a sign up list of food donations. On this day, please dress your child in Thanksgiving colors such as brown, yellow, orange etc... We look forward to celebrating these festive holidays coming up with you and your children!

Two's

Hello from our Terrific Two's!!

This month we want to help our children learn and practice the meaning of thankfulness and sharing. To help them understand how grateful we are to have friends and family who care. It is important to share with our friends to show them sharing is caring.

Did you know that studies show practicing sharing and thankfulness increase your happiness by 25%?

Ms. Yajaira

Ms. Tiffany

Threes

Hello from our 3's and 4's! We have had so much fun learning about all different types of balls and the functions of each one. We are happy to move on to our next lesson and learning all about clothing. We will be talking about why it is essential to have clothes, where to buy them and talking about different fabrics and designs. We will also be talking about different clothing from children around the world. We would like to dress up, so each child we will be picking a country to dress up and learn about. Thank you for all your added support!

Ms. Carolina

Ms. Marissa

VPK A & B

We are learning about the letters Ll, Tt, Bb and Hh; recognition, writing and the sound of each letter. We are concluding our ball unit and beginning the clothes unit. We have been very creative with our cooking projects, that we do every Friday. The children love to help with the process and they are learning a lot!
