Important Dates In June

16th-Donuts w/Dad
18th-Father's Day

From the Director's Desk...

Summer is here! We have many fun activities planned that are incorporated in our Educational Curriculum. The best way for a child to learn is through play.

Please apply sunscreen to your child, prior to arriving at school each day.

Infants

We would like to welcome our new little one, Christopher to the classroom! He started when he was just 2 months. Happy Birthday to our darling Avi, who will be turning 1 this month and Ms. Ana also has a birthday too! We've been working on standing, rolling and crawling with all the children. For summer, we have a lot of projects planned including sensory bags with ice, beans and colors with whip cream.

Ms. Janet

Ms. Ana

Toddlers 1A & 1B

Hello from the Toddlers! We would like to say Hello and Welcome to our new friends, Arlo and Kai! The past few weeks we have worked on improving our gross motor skills by throwing and kicking a ball. We have also worked on our fine motor skills by making our own sensory bottles and making collages with small pieces of paper. In the next month, we will be working on colors, shapes and doing weekly cooking projects. We also have a soda and mentos experiment planned. Our children love Science!

Please remember to keep extra clothes in your child's cubby and please label everything.

Ms. Cassandra

Ms. Janet

Two's

Hello from the Two's Room. We will be welcoming Alex from the toddlers into our class this month. We will continue talking and learning about recycling, reducing and reusing. We have been going over numbers 1-20 in English and Spanish. We worked on letters; Hh, Ll, Dd and Rr.

Please continue to wash hands every morning. Any news regarding upcoming events or child's needs will be on our refrigerator. Please also label all foods with your child's name. Thank you!

Ms. Yajaira

Ms. Tiffany

Three's

Thank you to everyone that came and also provided things for our end of the year party. The kids had so much fun! We would like to welcome our new friend, Liam to our class too. This summer we will have a special theme for each week. We rapped up last month with recycling and we worked on the letters Jj, Kk, Ll and Mm.

Friendly Reminder: Please make sure your children have everything they will need for Water Wednesday!

Ms. Marissa

Early 4's / VPK

We can't believe this school year is already over. Graduation was fantastic and we will miss everyone so dearly! Now it's summer time, full of fun filled learning and water activities. We will remain reviewing all shapes, numbers, letters and writing our names.

Reminder: We will be having Water Wednesday, please make sure your child has a towel, extra change of clothes, bathing suit and sunblock already applied on before drop off. Thank you!
