From the Director's Desk...

This school year has gone by too quickly and it's that time of year, Graduation!

VPK Graduation is May 25th at 6pm. Graduation is being held on the Campus of Florida Southwestern College.

Summer is quickly approaching, please let us know if your child will be attending our Educational Summer of Sun and Fun!

HAPPY

BIRTHDAY

Rylan 5/14
Lucas 5/14
James 5/14
Jazmin 5/20
Alexander 5/21
Lilian 5/23

Infants

We are very happy to welcome our newest baby to our class, Christopher. We will be working on letters Ff through Ii and numbers 5-10. We have been busy growing and learning and we can't believe how fast time has flown by this year. Soon enough, all our babies will be leaving us and moving up to the toddlers.

Ms. Janet
Ms. Ana

Toddlers 1A & 1B

We'd like to welcome Gabriel "Santi" into our class. We will be working on Mother's Day presents and mixing colors to create new colors. We will continue to go over our alphabet and numbers and we will be talking more about recycling.

Please remember to check your child's folder and keep extra clothes in your child's cubby. Also, please check the refrigerator door for any notices. Thank you!

Ms. Cassandra
Ms. Janet
Ms. Roxxy

Two's

Hello from the Terrific Two's. We would like to welcome our new friend, Alex to the class. This month we will be going over the letters; Cc, Bb, Rr, Hh, Mm and Ll. We will be talking about the environment and ways we can recycle. Our numbers we will be practicing are 1-5.

Reminders: Please be in class by 9am. We keep on the refrigerator for diapers & wipes. Breakfast ends at 8:30. Please label all your child's belongings including their lunch.

Ms. Yajaira
Ms. Tiffany

Three's

Hello from the Three's! We'd like to welcome Alah-zae and Jayden to our class. We've been doing a lot of recycling projects and learning about how to better our Earth. We just got done learning our letters Dd through Ii. Next, we will be going over Jj-Pp and numbers 10-20.

Please remember that circle time starts promptly at 9am, and we would enjoy seeing all our children attend.

Ms. Marissa

Early Fours

The Early 4's have been keeping busy with talking and learning about Reduce, Reuse and Recycle. We will have some Mother's Day projects coming up soon. In the next few weeks, we will be going over everything that we learned this year. Letters, number, shapes, etc.

Circle time is a specific moment to learn many things. Please try to drop off your children so they can make this. Thank you.

Ms. Carolina

We cannot believe how fast this school year has gone. We have been busy getting ready for our graduation. The last few weeks, we will be reviewing our sight words and continue prepping for kindergarten.

Please bring in anything that can be recycled so we can use it for our class.

Ms. Carol
Ms. Ivy
Ms. Greisy
Ms. Suerene
