LABOR DAY

From the Director's Desk...

We are so happy to see so many new faces here at our school and to welcome back all of our families who have been with us. We are going to make this the best school year ever!

Please remember to assist your child in the hand-washing procedure upon entering the classroom each morning!

Drop off cutoff is 9am. If your child has a doctor's appointment, please refrain from dropping them off between 12pm-2pm. This is nap time and it may be disruptive to the children who are napping. We appreciate your understanding and consideration.

We are so excited for the new school year! We have a new baby; his name is Mick!

We are so sad to see Jaheim move up to the Toddler 1 room, but he is walking and talking and ready to go.

Miss Ana had a baby girl on August 12th. And plans to return in November.

Please provide updated family pictures when you can.

This month we are learning about manners.

We will be studying the jungle and the animals that live in jungle.

Please talk to your child at home about manners so we can bridge the use of manners between home and school.
