## Infants

The theme for the month of January is Winter. We will do many fun activities with "snow".

We will continue to learn to share our toys, use gentle hands, and play nice with our friends.

At home, please read to your child daily

"Let's bring in the New Year with a smile"

Ms. Ivy

## Toddlers 1A & 1B

Happy New Year! During the month of January, our class will be learning about buildings and winter.

We will work on sharing, helping, and friendships.

Happy Birthday Ariol!

Please make sure to label all your child's belonging before leaving them at school.

At home, please review numbers 1-10 and the Alphabet song.

"Blast off into a New Year!"

Ms. Becky

Ms. Suzanne

## Two's

Our theme for the month of January is Buildings. We will learn about the materials used to build and the different types of buildings.

We will be working on shape recognition and naming, number recognition 1-10, as well as sharing and working together.

Please continue to work on colors and counting past 10. We have also begun working on days of the week using this song:

## VPK

Happy New Year!

The theme for the month of January is Buildings! Yes, building are very exciting. We will work on building our own mini city in our classroom. When you are out with your child, point out the different shapes of buildings you see.

Please read with your child each night for at least 30 minutes.

Happy Birthday Jayden and Matthew!

Please remember to take your child to the bathroom each morning to wash their hands and flush the toilet if they use it.

"Play is the highest form of research" - Albert Einstein

Ms. Natalia

The Character trait we are working on in January is helpfulness. How we can help in our community, how we can help our friends and how we can be helpful at home.

We will begin our writing prompt journals, review letters l, l, t, t and th. Our new letters are d, li, p, and u. For Math we will work on more, less or equal concepts. We are starting sight words.

Happy Birthday Hannah

Show and Tell is every Friday.
