News from the Office...

NPA would like to give some warm welcomes to our new teachers, Ms. Loissa, in our one year old room and Ms. Marissa, in our two year old room.

As our wonderful, crazy Florida weather has been in full effect, we need your help with keeping the germs away. Please, as you drop off your child, make sure they wash their hands before starting their day. This will help keep our school germ free.

We would like to remind you to please check your child in and out using your ProCare fingerprint daily. If you do not have a fingerprint or it does not work, please see Danielle at the front desk.
