This month's letter is S, the numbers we will focus on will be 1 and 2, the shape of the month is Hexagon and the color we will be learning is Aqua. This month our friend Amir will be moving up to the threes and we wish him the best! We will be having a Spider-man themed birthday party for him so keep a lookout outside my door for a party list! As always thank you for everything you do and you are all greatly appreciated .

Just a few reminders:

In this class, we heavily focus on POTTY TRAINING! Please send lots of extra clothes if your child is just beginning the process. There will be accidents!

If you are ready for your child to start potty training, please start with them during the weekend and we will continue throughout the week!

If your child is doing well with potty training and they are in underwear, keep them that way please. If they are put back in pull ups they will get confused.

Please leave pacifiers at home! As per our handbook, pacifiers are not supposed to go past the one year old room

Please reach out anytime if you have any questions.
