Dear wonderful parents,

HAPPY NEW YEAR! 2025 IS FINALLY HERE! We hope you all had a happy holiday season and your wishes for 2025 will be coming true.

This month we're traveling to the coldest places on Earth, the North and South Poles! Our babies will be exploring icy animals (polar bears, penguins), frosty landscapes and snowy fun!

We have so many fun activities planned! What's happening at the Poles?

- Meeting the polar bears
- Snow Sensory bin (use fake snow for little hands to explore cold texture safely)
- Fun Polar activities

Our letters for this month are Pp & Mm. The number 7. The shape is a rectangle, and the color blue.

Our kids are hitting very important milestones such as standing and already trying to walk.

Congratulations to our two adorable baby girls, Ahmyra and Harmony, who are turning 1 year old this month!

Please continue to label all bottles and sippy cups and all clothing that belongs to your child.

Mrs. Lumi & Ms. Kylie

Happy New Years 2's!

We are excited to celebrate the new year and bring in 2025 with our 2's!

This month's letter is Ff, Hh, and Oo. The shape we will be introducing is the rectangle, the number this month is 7 and the color is Blue.

We are looking forward to a month of growth and learning!

As cold and flu season is among us, please be mindful of those big and small here at NPA if your child is sick.

As always, thank you all for everything, you are all very appreciated!

## Just a few reminders:

- Please make sure your child is getting enough sleep and is well rested as we do a lot of hands-on activities that do not want to be missed out on.
- Please send lots of extra clothes we do get messy!
- If you are ready for your child to start potty training, please start with them during the weekend and we will continue throughout the week!
- If your child is doing well with potty training and they are in underwear, keep them that way please. If they are put back in pull ups they will get confused.

Please reach out anytime if you have any questions!
