HELLO Parents,

SPRING BLOOMS FOR BABIES! Spring has arrived and it's the perfect time to introduce your little ones to the wonders of the season! From the fresh air to the blooming flowers, there's so much to enjoy. This month we will work on:

-Touching grass and flowers develop their sense of touch

-Sensory Play

-Sound Exploration (birds songs)

-Babies love listening to different sounds, and it helps develop their hearing.

-Springtime Story Time: it's about choosing books with bright colors and spring themes stimulating language development.

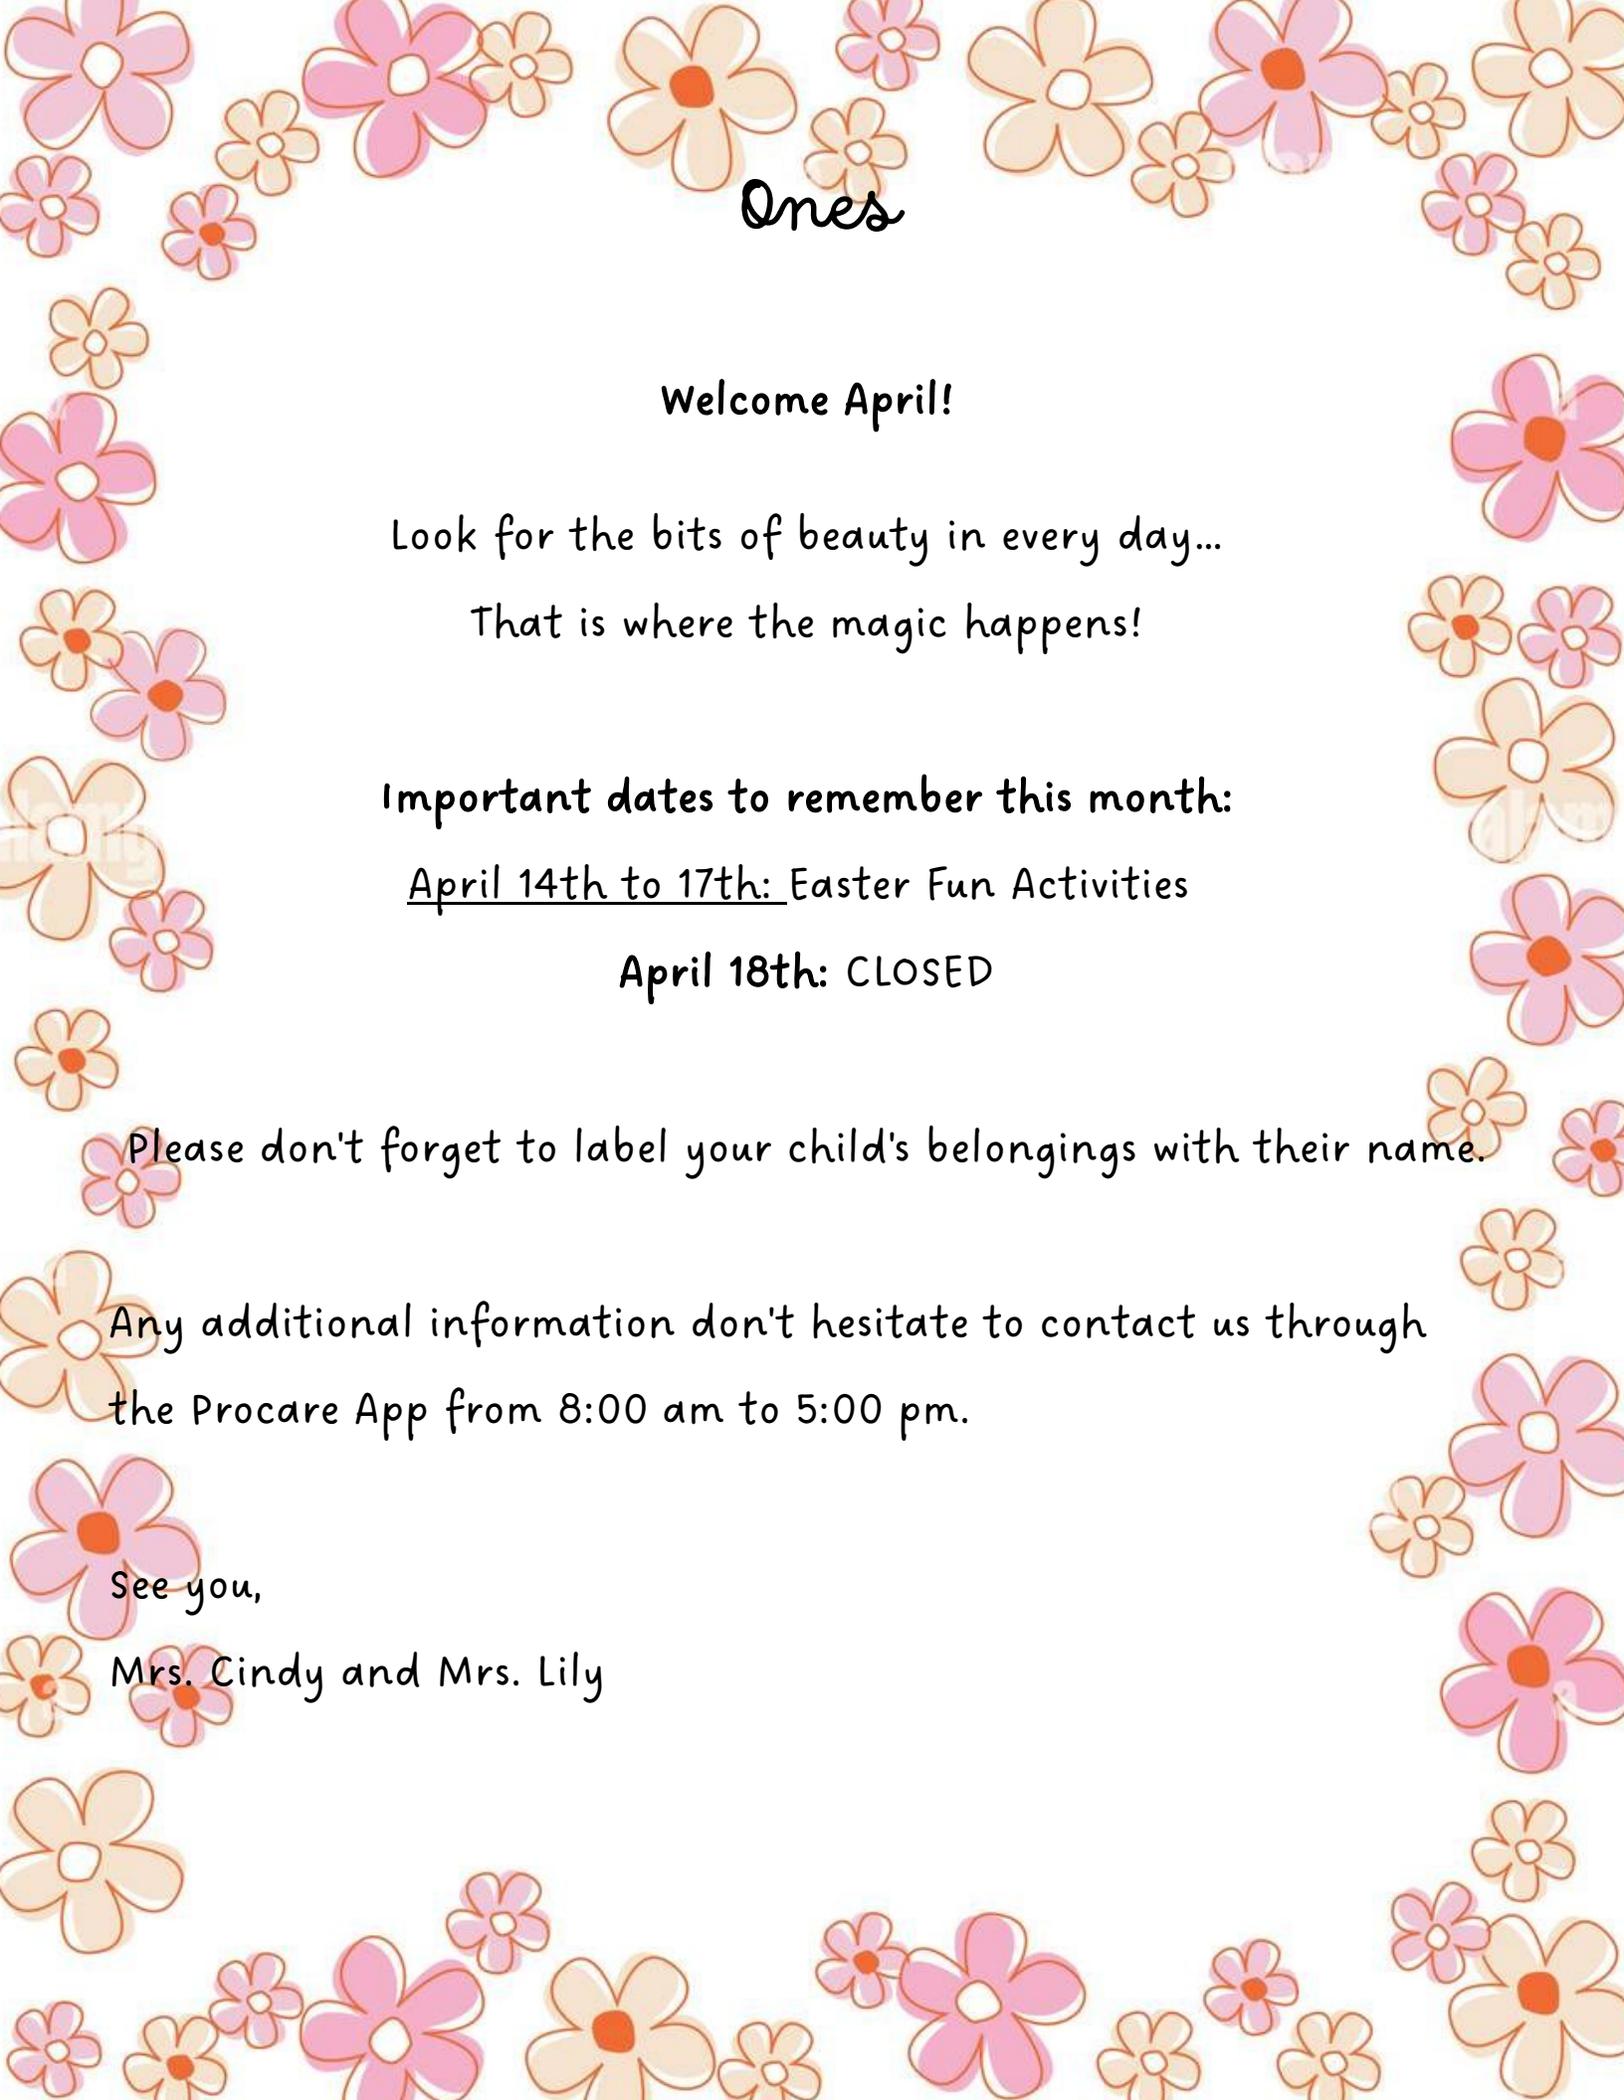

-Social Smiles and giggles Spring often brings out the best in social interactions and our babies may start smiling and laughing more as they encounter new faces and experiences.

Remember, every spring blossom marks a new milestone for our little one. Wishing you and your baby a blooming, joyful SPRING SEASON! Please don't forget to label all your child's belongings! Have a wonderful month!

With love, Mrs. Lumi
