We are ready for a fun-filled month of apples, fall colors, and more learning! We'll be exploring all things autumn while learning through hands-on activities, stories, and songs.

Let's talk about Preschool Art! There are 2 types - Process and Product. Product is when the teacher cuts out every piece for the child and instructs them to glue them to the paper "the right way!" UGH!

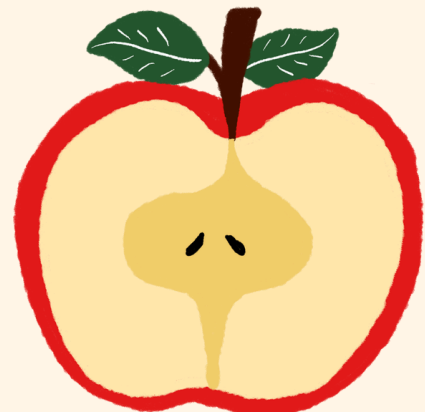

Process Art is when the teacher gives the child all the materials to construct their Art their way, Process Art encourages them to be creative and to make something that makes sense to them.

OCTOBER BIRTHDAYS:

Oliver 10/12- 4 years old

Theo 10/15- 4 years old

We are working hard towards going to kindergarten. Please help your child learn and grow by reading every night, counting to 20 and beyond up to 100 by the end of the year. As well as helping your child the letter of the week and going over letters from weeks prior, and homework that is sent home.

Reminders!

Please check cubbies every day for important letters, classwork, and homework. Every Monday a Newsletter will go home. This Newsletter has important information. Please take the time to read it.

Look for stamps on your child's hands this will let you know at a glance of how their day went. A green stamp means they took a nap and a stamp that is a different color means they had a good day.

Please remember to bring a water bottle every day with your child's name written in permanent marker on a piece of tape with their name.

All children need slippers for the classrooms.

No tie shoes. It is for safety reasons. Your child needs to be able to put their shoes on by themselves.

Show and tell is every Friday unless noted otherwise. The newsletter that you get on MONDAY will have the theme.

Please send in a spare change of clothes. They still have accidents.

All children who stay all day need a knapsack for nap time. Fitted sheets will no longer be used in VPK.

We look forward to a great year. Thank you!

Mrs. Carol and Mrs. Tonya
